TOWN OF SCHUYLER HISTORICAL SOCIETY

The Schuyler Chronicles

Issue # 10 - April 2025

*Listen, my children, and you shall hear
Of the midnight ride of Paul Revere,
On the eighteenth of April, in seventy-five;
Hardly a man is now alive
Who remembers that famous day and year.*

*He said to his friend, "If the British march
By land or sea from the town tonight,
Hang a lantern aloft of the belfry arch*

*Of the North Church tower as a signal
light ---*

*One, if by land, and two, if by sea:
And I on the opposite shore will be,
Ready to ride and spread the alarm
Through every Middlesex village
and farm,
For the country folk to be up and
to arms."*

...and thus, on goes the poem entitled "The Ride of Paul Revere" by Henry Wadsworth Longfellow. As line 3 cites the date of April 18, 1775, this month marks the 250th anniversary of that hallowed ride to alert the Minutemen of the British approach to capture American supplies at Concord.

But, what was happening during these Revolutionary years in our area? In the little, yellow book entitled "EAST END WEST END OUR TOWN," published by the Town of Schuyler Bicentennial Committee in 1992, on page 1 it states that the first settlement within our present township was New Petersburg, established about 1765. On page 14 the conditions were described: "Three or four log houses and a spring near the ashery were enclosed by a rude stockade comprised of pickets ten or twelve feet high, set in the ground close together and known as The Fort. The early settlers came here for protection from Indians and Tory raids prior to and during the Revolutionary War. The men going out during the daytime to till their land and gather crops, leaving their wives and children at The Fort for greater protection. Even with this extra precaution, there was scarcely a family that escaped from having a member killed by the enemy."

Next year we will celebrate the Declaration of Independence's 250th signing. In two years, it will be the 250th commemoration of the Battle of Oriskany which occurred on August 6, 1777 when the men of New Petersburg joined General Herkimer's march to fight, and many to die, for America's freedom.

SIGN UP FOR A FREE CLASS TO LEARN ABOUT PREPARING FOR EMERGENCIES

With severe weather events becoming more frequent and more extreme, it is more important than ever that New Yorkers are prepared for disasters.

The NY Citizen Preparedness Training Program teaches residents to have the tools and resources to prepare for any type of disaster, respond accordingly and recover as quickly as possible to normal conditions. This training course will provide an introduction to responding to a natural or man-made disaster. Participants will be advised on how to properly prepare for any disaster, including developing a family emergency plan and stocking up on emergency supplies. Each family that attends will receive one preparedness kit.
